### Summary of reasons for decision:

"The New Complete Terrorist" was submitted for classification on behalf of the Commissioner of Police under s13(1)(ab) of the Films, Videos, and Publications Classification Act 1993. This document includes instruction on creating explosives and other illegal weapons, in a manner which is encouraging of their illegal manufacture. Explosive devices pose an especially high risk of injury and even death to those making them and anyone around them. The right to freedom of expression has been considered with regard to whether a restricted classification could apply, however the availability of the publication poses a very high risk of injury to the public good, which cannot be mitigated by a restriction. "The New Complete Terrorist" is therefore classified as objectionable.
